

WORLD OF RADIO #1126, produced April 10, 2002 by Glenn Hauser

- *Standard disclaimer
- *Radio Studio X, Momigno, Italy, our affiliate, is testing second MW frequency 1566, future plans 50 kW; WOR is Fri at 2230, Sun at 1630 UT
- *Our World Radio Network times now Sat 0800 to rest of world, 1400 Sundays to North America
- *One World, One Family, is the RFPI program which WOR usually replaces Sundays at 1830; see update at <http://www.rfpi.org> for notation of what happens each week
- *Our times on WBCQ and WWCR are now one UT hour earlier, seeming at same local time in areas now on DST
- *WBCQ's first two WOR broadcasts now Wed 2330, UT Thu 0500 on 7415
- *WWCR's first WOR broadcast is Thu 2030 on 15685
- *Check our website for complete schedule: <http://worldofradio.com>
- *Second airing for Mundo Radial each week on WWCR, Monday 2130 on 15685 in addition to Friday 2115
- *Buying Shortwave Airtime Q&A, new in the FAQ section of WWCR site should be read by potential buyers: <http://www.wwcr.com>
- *New DST schedule of WRMI Miami, the few shows left of interest: The Drive-In Double Feature; Radio Prague relays; Viva Miami
- *Infighting and scandals continue at R. Marti; see DXLD 2-055, 2-058 and 2-059
- *Charlie Puckett, Kentucky State Militia Radio, turned himself in, after fleeing from house arrest for weapons charges, obstruction
- *WSM 650, Nashville, drops ABC news for CBS, which goes to WLAC 1510
- *Gaylord lays off more than 75 WSM staffers, including news, online
- *Nashville now has public radio on AM, WPLN on 1430, after two-day break from former Spanish format as WQDQ
- *Very bad news for public radio in East Tennessee: the station where I worked a number of years [and WOR started], WUOT, may lose major portion of its funding, from state appropriation. Would have to cease operations
- *OK Mozart International Festival starts April 13 for 7 weeks on KCSC
- *WNYC resumes separate programming on AM and FM, revised schedules; including Saturday Nights on AM: Big Band Sounds, Folksong Festival with Oscar Brand; Sunday nights, documentary/specials and Joe Frank; On FM, Spinning On Air is back Friday evenings
- *V. of Kampuchea Krom, Que Huong clandestines' new schedules
- *Falun Gong Radio, clandestine to China, not from sites published
- *Asleep at the switch at RKI, running Saturday programs on Sunday; also double take: Indonesian broadcast supposedly to Europe
- *V. of Mongolia English schedule shows double azimuths, one into Pacific missing land areas except Aleutians, another across Europe
- *Pakistan introduced DST same date as North America, so UT plus 6, ahead of India to its east. Shortwave domestic and external times moved one UT hour earlier, including English news

- *R. Pakistan is a station which can't stay out of the 40m hamband
- *US Psyops station now reported on MW, shortwave from the ground in Afghanistan at Bagram
- *Lt. Sherk at Commando Solo HQ has been replying to E-mail reception reports with a gif `QSL`; plans to issue paper QSLs later
- *CBC Radio 1 in Canada has special series about Afghanistan [and the USA] this Thursday thru Monday; see DXLD 2-059
- *Iranian clandestine R. Barabari still transmitted from Lithuania, and supposedly Moldova
- *V. of Komala, Kurdish clandestine, new summer schedule, a.k.a. R. Payam in Farsi
- *Friends Abroad DX Show heard on R. Jordan, Saturdays, timeshift
- *Special programs in Hebrew, English from Israel April 14-16 for two back-to-back holidays, Memorial Day and Independence Day
- *Cyprus grants VOA license for MW at Cape Greco; but delayed by environmental and security concerns
- *The Media magazine you monitor with your mind, WOR 1126; our address wghauser@hotmail.com or P O Box 1684, Enid, OK 73702, USA
- *Thanks this week for financial support go to: Pete Bentley
- *R. Bahrain launches webcast, no longer on SW; <http://www.moi.gov.bh>
- *V. of Africa, Libya, airs threatening manifestos from Green Book
- *Sudan registered long-inactive SW frequencies up to 11, 15 MHz
- *TISJD sent nice personal reply, Tigrean International Solidarity for Justice and Democracy, Radio Fithi = Justice, schedule
- *Websites for news from Comoro Islands; <http://www.komedit.com> and personal diaspora site <http://perso.club-internet.fr/elbadano>
- *Madagascar's clashing shortwave contenders
- *R. St. Helena manager Tony Leo still promising QSLs for final broadcast 23 Oct. 1999; no need for follow-ups
- *Paraguay changed to UT-4 winter time on April 7
- *R. LTC, Juliaca, Peru, moved twice, latest 5 MHz frequency
- *Idea Radio, Colombia, months ago on 7 MHz, plans to resume SW eventually; also on UHF TV, and as Bogota Radio at <http://www.Live365.com>
- *El Universal, Caracas newspaper has audio link to FARC clandestine on FM inside Venezuela, Resistencia Caribe FM Stereo, [recording] of Voz de la Resistencia. 5-minute file is at <http://www.eluniversal.com/2002/04/04/colo.ram>
- *Venezuelan Pres. `Cadena` Chavez threatens the media unless they carry him more and more
- *El Salvador station on 17 MHz band investigated, and is deliberate, not a harmonic, R. Imperial, Sonsonate, irregular
- *Classical music in Mexico City bites the dust, XELA converted to sports format, XEITE
- *Mexico, except Sonora, went on DST same date as North America, so SW programming should be one hour earlier on R. Mil, XERMX, R. Educacion
- *Capsula DX heard on R. Educacion, presumably one hour earlier now
- *No longer hearing spur of XERMX but good modulation on fundamental

*Very strange situation at Spanish Foreign Radio concerning English:
two of three hours to North America missing despite announcements,
and frequency shifts from one night to the next

*R. Yugoslavia did not come back April 8-9

*V. of Greece adjusts from inside to edge of 17 MHz aero band

*R. Bulgaria using only one frequency for all English until July 1

*R. Ukraine International still running Saturday programs on Sunday,
and English at wrong hour

*R. Liberty to Chechnya, frequencies for new morning broadcast

*Belarus' missing from most SW frequencies

*R. Polonia revised schedule shows fewer frequencies in English

*Scandinavian Weekend Radio, Finland, latest tests with 50 watts
heard in western Canada

*R. Ezra's first broadcast from eastern Russia to western North
America heard with strong signals, seems 250 kW, not 100

*Emerald Radio's annual special series via WWCR runs April 22-28

*Out of time, skipping propagation outlook, but in next DXLD 2-060

*Glenn Hauser, here, thanking you for listening to World of Radio
1126, and inviting you to tune in again next week ###
